

LETTER FROM THE DIRECTOR

Dear Friends of North Branford,

How time flies by. The year, 2010 marks the 10th year for both me, as the North Branford Parks, Recreation & Senior Center Director, as well as Lauren MacKay-Munro, our Recreation Supervisor!

We were both hired in 2000. Myself, with a 19 month old daughter and a 3 month old son and Lauren with a 6 year old son (yes, that makes them now 11 and 10 and 17 years of age!). Needless to say, the last 10 years have been extremely rewarding, both in our jobs and as parents.

Our department has worked tirelessly in an effort to develop and create recreational opportunities for the community that encompass events involving the arts, health, nature, travel and play with the ultimate goal of creating a sense of community for all ages.

With that being said, we would like to dedicate this brochure to our Parks & Recreation Commission members who have supported us for the past 10 years. Appointed members have come and gone from the Commission over the years and, we thank them. There are many that have volunteered their time for five or more years and should be recognized for their valuable experience and best interest in the North Branford Parks, Recreation & Senior Department. Thank you for the numerous years that you have given back to the town. We would not have grown to where we are now without your wisdom and support. The following members have held a place on the Parks & Recreation Commission within the last 10 years:

Brian Lynch	1997 - present	13 years
Victor Palma	2003 – present	7 years
Ron Bergmark	1990 - 2010	19 years
Randy Joiner	2003 – 2009	6 years
Ron Tracz	1993 – 2003	10 years
Bruce Wentworth	1997 – 2002	5 years
Edward Devitt	1988 – 2000	12 years

We thank the town immensely for their support over the years and look forward to working with our staff to continue providing the residents of North Branford a wonderful program for both young, old and all ages in between.

Sincerely,
 Pamela Gery, Director
 North Branford Parks, Recreation & Senior Center

It is the mission of the North Branford Parks and Recreation Department & Senior Center to create recreational opportunities for growth and enhancement by developing diverse services and programs that promote citizen involvement and a strong sense of community while striving to increase the social, cultural, and physical well-being of its residents and visitors.

Parks & Recreation Department Goals

- ▶ Provide clean, safe parks and recreational facilities
- ▶ Provide outstanding customer service and efficient services to North Branford residents regardless of income, background, and ability
- ▶ Effectively plan for the future needs of North Branford residents
- ▶ Continually strive to improve existing facilities while seeking opportunities for future development
- ▶ To improve the quality of life for all North Branford citizens
